What about today's teaching challenged, disturbed, or encouraged you?

- When you think of witnessing to a coworker, neighbor, family member, or friend, what emotions come over you? Why?
- What are the core/essential truths of the gospel? Why is it important for us to know them?
- What is the difference between persuasion, manipulation, and imposition? Why is it important for us to avoid manipulation and imposition when it comes to witnessing?
- What questions are unbelievers asking regarding our faith? What are some questions we might ask unbelievers to help us understand where to begin our witness?
- Why do you think Paul keeps his gospel message simple? How can we do the same?
- When it comes to gospel witness, how do you handle the fear of rejection? What could you do better?
- How should we allow our anger and annoyance at what is happening in our society to motivate our witness? What role do the Holy Spirit and prayer play in this process?
