What did you find most helpful, most challenging, or most troubling about today's teaching? Why?

- Why do you think the lawyer in Luke 10 wanted to test Jesus? How did his attempt to test Jesus turn back on him?
- Why did Jesus answer the question with a question? How did that change the nature of the conversation?
- Why do you think Jesus did not mention eternal life in his response to the lawyer in verse 28?
- How is asking "Who is my neighbor" (v. 29) a form of self-justification? What is the lawyer really asking?
- What is the lawyer looking for when he asks the question in verse 29? How does his question reveal the dangers of rulebook living?
- What does Jesus give us instead of a rulebook? How is this better?
- Do American Christians tend to be more about knowledge or practice? Why does Jesus want us to be people of practice?
- Why do you think God connect our love for Him with loving our neighbors well? How do you plan to make that connection this week?
