What did you find most helpful, most challenging, or most troubling about today's teaching? Why?

- When do we move from innocence to sinfulness?
- How do others participate in our enslavement to sin?
- How are suffering and adversity forms of slavery? How do they differ from slavery to sin? How are they similar?
- How do the sins of others against us affect the way we live and relate to other people and God?
- Why do you think it is important to know that God sees our struggles, hears our cries for help, and understands what we are going through?
- Have you ever been disappointed with God's response to your struggles with sin or adversity? Why? How did you resolve it?
- What are some ways that God invites us to partner with Him in helping others out of sin and through suffering?
