What about today's teaching challenged, disturbed, or encouraged you?

- Why do you think “humanity loathes and fears humility, seeking to avoid it at all costs” (John Calvin)?
- Why do you think we love to be the center of our own universe?
- What must happen for us to shift self from the center of our existence? Why is that such a difficult change?
- Look at Isaiah 6:1-5 and Revelation 1:12-18. How did the presence of God change both the Prophet Isaiah and the Apostle John? How might the manifest presence of God help us grow in humility?
- How are pride and self-loathing flipsides of conceit or arrogance? What is necessary for us to overcome them?
- What is our worth in Christ? How does knowing this help us nurture humility?
- How does humility enhance our relationships with others? How does it foster unity within the church?
- What other virtues are strengthened as humility grows? Why is that important?
- How are you planning to grow in humility this week? How can we help each other live humbly?
